

General Guidelines for Observing COVID-19 Restrictions When Visiting WPNSA

The COVID-19 preventative measures are vital to protecting health and wellbeing and to minimising pressure on the frontline services. We all have a role to play in adhering to the Government guidelines and therefore we ask you to observe the following:

1. Please do not attend WPNSA if you are feeling unwell or experiencing any symptoms of COVID-19.
2. Please show consideration for others by respecting the social distancing requirement of 2m.
3. Restrictions will be in place to ensure overcrowding does not take place around the site. Visitors will be allowed to bring cars on to site for the purpose of unloading only. All vehicles should then be parked in the main car park to provide plenty of space for maintaining social distancing.
4. Entry to the site will be restricted to members and those with boats in storage. We request that no more than 2 persons attend at one time from the same household. Numbers of persons attending the site may have to be limited during times of peak demand.
5. Entry to the site will be by access card or use of the appropriate gate code. If visiting during normal office hours (9am – 5pm) and you do not have the code, please call 01305 866000 to establish your identity and for the gate to be opened remotely. If you do not have a card and intend to visit outside of normal office hours, please call in advance.
6. Members may be required to relocate their boats or other equipment, to ensure social distancing can be maintained.
7. Apart from the main toilets on the ground floor, there will be no access to the rest of building. If you had intended to visit Reception, please call 01305 866000. The changing rooms will remain closed.
8. Access doors will be left in the open position wherever possible and a one-way entrance and exit route will be established through the lower corridor to access the toilets.
9. Please do not spend any longer on site than is necessary.
10. Please give careful consideration to prevailing conditions and condition of your equipment, when taking the decision to go afloat.
11. There will not be any catering provisions available on site until further notice.
12. Persons not respecting social distancing guidelines or reasonable requests from members of staff will be asked to leave the WPNSA site.
